Dear Dr. Pin:

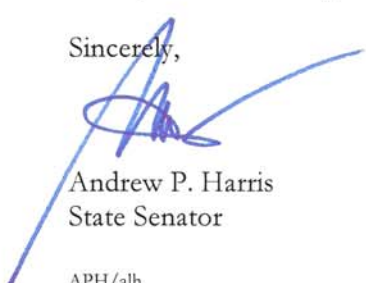

Congratulations! I am happy to hear about the opening of Merle Norman Cosmetic Studio & Honeygo Studio Photography in Middle River, and I appreciate the invitation to your grand opening celebration.

I am a strong supporter of businesses, especially small businesses—truly the backbone of Maryland and America. I have enclosed an official senatorial citation recognizing Merle Norman Cosmetic Studio & Honeygo Studio Photography and welcoming this new business to the community.

I have also sent you two pamphlets that may be of assistance to you as you expand your business connections throughout the state. The first is a guide to the Governor's Office of Business Advocacy, and the second is a State of Maryland telephone directory.

Thank you for taking the time to introduce your business to me. Please feel free to contact me any time that I may be of assistance to you or your customers in the future.

Sincerely,

Andrew P. Harris  
State Senator
